

What's HAPPENING

HAPPY 30TH ANNIVERSARY, PEARLMAN ASSOCIATES. The renowned, respected, and rapidly growing public relations firm Pearlman Associates, Inc., which has been helping clients with their PR since 1977, celebrated its 30th anniversary in February. Marilyn Pearlman and Randi, who don't even look 30 themselves, are celebrating the occasion with several new clients, among them St. Regis Residences Atlanta and Skyline at Lindbergh luxury condos, and *Where* and *Encore* magazines.

And the American-Israel Chamber of Commerce has selected Marilyn as its honoree for this year's Women of Achievement event, sponsored by the Jewish Federation of Greater Atlanta.

We don't have room to tell you about all the boards she serves on and the clients she helps, but our favorite is the pro bono work she does for Southeast Pug Rescue & Adoption—we love people who help animals. For more information, visit www.pearlmanassociates.com, or call 404-298-6910.
